HUNGARIAN UNIVERSITY OF AGRICULTURE AND LIFE SCIENCES
KÁROLY RÓBERT CAMPUS
KÁROLY RÓBERT STUDENT RESIDENCE, GYÖNGYÖS

Students, who participate in the international mobility program and foreign students, are housed in the available rooms at the Károly Róbert Campus Károly Róbert Student Residence.

The University is not obliged by any legislation to provide the student with housing in Hungary. The dorm is a service, provided by the University, which the students are not required to partake in.

1. *What is the process of moving in to the dorm and what time can you move in on a given day?*
What do you have to bring with you?

First, the student has to inform the Gyöngyös campus' International Office (NKK) about their housing request. You can not check in earlier than August 30, 2023. The student is required to bring one passport size ID picture, which must be given to the reception of the Student Residence, "A" building for the photographic record, which is a form filled out by the student on site. After that, they get their room's keys and the room inventory. Every room has one inventory.

2. *Who can I turn to, if there's a problem with the room, roommates or I experience an anomaly in a common space?*

If there's any technical or mechanical problem with the room, you should inform the reception. Foreign students should inform their mentors about problems regarding roommates.

3. *What is the process of moving out and at what time can you move out on a given day?*

The notice period for moving out is 30 days. Request for moving out of the Hostel can be submitted on Neptun from 1st of December 2021. You can submit the request under Administration/Requests. The title is "Request for moving out of the Hostel" You are required to move out during work hours (between 08:00 am and 14:30 pm).

If you don't move out during working hours (on a weekday, between 08:00 am and 14:30 pm) you must pay an administration fee, which is 5.000,- HUF. The moving out process happens on site (in the room). During the return of the room, the inventory and the cleanliness of the room will be inspected. If the furnishing suffered damages during your stay, you are required to pay for the damages, according to the amount on the inventory sheet. If there are problems with the cleanliness of the room, the student has to pay 15.000,- HUF cleaning fee at the reception. You have to return the room's key at building "A" reception. The student has to sign the photographic registry during moving out too.

You are required to report any change to your place of accommodation electronically within 3 days of the respective event via the Enter Hungary interface, following electronic registration.

4. *What to do if I want to move out during the semester?*

You have to proceed by 3.

5. *How can I pay my dormitory fee?*

Through the Neptun system. The Stipendium Hungaricum and the Scholarship Programme for Christian Young People mobilities' students don't pay college dormitory fees.
