HOUSE RULES

The Károly Róbert Dormitory, (address: 69. Bene street, Gyöngyös 3200) (hereinafter referred to as the Dormitory) is managed by the Directorate of University Dormitories of the Hungarian University of Agriculture and Life Sciences (hereinafter referred to as the University) (represented by: Director Fanni Barkó-Fodor), and operated by MATE University Service Nonprofit Ltd. (represented by: Managing Director Anikó Molnárné Boros) (hereinafter referred to as the Operator).

1.§ General Rules

- (1) The House Rules apply to every resident of Dormitory, who has a legal membership of the Dormitory (hereinafter referred to as: Student), the Dormitory's every employee, and every other person or guest who stays at the Dormitory grounds.
- (2) The Organizational and Operational Regulations of the Hungarian University of Agricultural and Life Sciences (hereinafter: MATE SZMSZ) III. Student Requirements System III. Dormitory Regulations, the dormitory admission decision, the Dormitory Accommodation Contract (hereinafter: Contract) and the related General Terms and Conditions (hereinafter: GTC) determine:
 - a) the placement's conditions
 - b) the duration of the placement
 - c) the conditions of the membership cancelling
 - d) the amount of the membership fee, the payment deadline and the method of payment

2.§ Moving in and moving out

- (1) Moving in takes place on the date specified in the dormitory admission decision and the "Moving in Information". It is only possible to deviate from this date, if the Dormitory Leader gives permission.
- (2) Students, who got accepted into Student Residence membership are moved in by the Dormitory Leader or the dormitory staff. Membership is finalized, when the Student signs the Contract, by which they accept the House Rules, work regulations, fire and accident prevention regulations, public health regulations and the internet usage rules.
- (3) After completing the photo register, the Student will receive the key to his/her room, proxy key and the priced room inventory, which contains a list of the apartment equipment and accessories provided with the accommodation, on which the student records the condition upon moving in, accepting and signing it.
- (4) According to the provisions of Act LXVI of 1992 on the registration of personal data and addresses of citizens, the Dormitory can be registered as a place of residence (hungarian

students). The registration must be made at the district office within three working days of moving in or moving out. In case of moving out, foreign students are obliged to report the change of their accommodation within three days via the Enter Hungary website: <https://enterhungary.gov.hu/>

- (5) A change of accommodation within the Dormitory may only take place with the permission of the Dormitory Manager and with the consent of the resident(s) of the rooms concerned. Violation of this will result in penalty points. The transfer application is available in Neptun TR.
- (6) The Student cannot transfer their room even temporarily, they cannot sell it. Violation of these terms result in disciplinary proceedings and ban from dormitory grounds.
- (7) When moving out, moving (or in the event of exclusion), the Student must itemize the room inventory. The provisions of the GTC shall apply to the termination of the Contract, taking into account the 30-day notice period. The move-out application is available in Neptun TR. On the day of moving out, the room must be handed over in the condition in which it was originally received; if necessary, the Operator shall order forced cleaning at the rate determined by it, or up to the amount of compensation for the damage caused. A Student who fails to comply with the administrative obligation set out above shall be deemed to have continued his/her dormitory relationship.
- (8) At the end of the academic year, no later than June 26th – unless otherwise stipulated – the Student must move out of the Dormitory, and this may be deviated from with the permission of the Dormitory Manager. The time of moving in and out shall take place during office hours; in the event of a different time, the fee specified in the Announcement shall be paid to the Operator.
- (9) If summer accommodation is announced during the summer break, the Student may apply for dormitory accommodation. After the summer accommodation is approved, the Student moves into the accommodation designated by the Dormitory Manager and, by signing the summer dormitory accommodation contract, undertakes to comply with the provisions of the House Rules and to pay the accommodation fee.

3.§

Entering the Dormitory, housing guests

- (1) Students entering and exiting the Dormitory:
 - a) The door to the Dormitory building is opened with the proxy key received upon moving in.
 - b) It is strictly forbidden to prop up the Dormitory door or prevent its automatic closing in any way, except in the event of a fire alarm.

- c) There is a security service in the Dormitory.
 - d) The Student must confirm their identity with a photographic ID in case the Dormitory's staff or the security service requests it.
 - a) Pictures, video and sound recordings may be made at the Dormitory grounds.
- (2) Having guests:
- a) It is possible for students to host guests at the Students' Residence.
 - b) Everyone's considered a guest, who doesn't have a Students' Residence membership, is not the Operator, or not in employment of the company operating the Student's Residence. It is strictly forbidden for those who doesn't have a Student's Residence membership to permanently move in. Disciplinary proceedings will be initiated against those, who host a non-member overnight.
 - c) It is possible to host a guest in the Students' Residence community rooms or in private rooms between 07:00 and 22:00. You'll have to provide your guest's photographic documentation at the reception of building A.
 - d) The guest is obliged to follow the House Rules, which they accept by entering the Students' Residence. The guests' visit should not disturb other roommates' lifestyle, studying, rest and the work in the Residence. The hosting Student is fully responsible for their guests' behavior.
 - e) To have a guest stay overnight, the Students must act in accordance with the following rules:
 - Roommates must give their written consent.
 - During the weekdays, in one room only one guest may stay.
 - A Student can only host a guest for a maximum of 3 nights (1 during weekdays, 2 during weekends) in a month.
 - The same guest can only stay at a maximum of 3 nights (1 during weekdays, 2 during weekends) in a month.
 - To host a guest, the Student must pay a certain fee.
 - A hosting Student must fill out the „College Student's Guest Overnight Stay Application”, which must be signed by the roommate(s), the host and the guest. The receptionist must certify the registration with their signature. The Application can be found here:
<https://kollegium.unimate.hu/elerheto-dokumentumok-krc>

- Hosting a guest overnight without registration is considered a violation of the House Rules, and results in the limitation of the hosting rights of the Student (1 month). Violation of these rules for multiple times may result in the Student getting expelled from the Residence.
- Violation of the guest reception rules will result in a penalty point.
- In exceptional cases (freshman graduation, other events... etc.) the hosting rules may change. During events every Student can host one guest.

4. §

Places of service and community

- (1) When a Student gets the key to a service room, it must be documented at the reception. The Student must provide their name, the time and their signature.
- (2) Only those entitled to it can get the service room's keys (clubroom etc.). They must be registered at building "A's" reception.
- (3) The purpose of the kitchenette is to allow the residents of the dormitory to prepare and consume food and drinks in a civilized, safe and clean environment. The use of the room is a communal responsibility, therefore it can be used subject to the following rules:
 - The kitchenette can only be used by the residents of the dormitory.
 - The use of the kitchenette is permitted between 6:00 am and 10:00 pm.
 - Everyone is required to leave the room tidy and clean. It is prohibited to store personal equipment, utensils or other devices in the kitchenette. The Operator and the Dormitory do not assume responsibility for items left unattended.
 - Shared devices (microwave, kettle, electric stove, etc.) must be handled properly and with care.
 - After cooking and preparing food, all dishes, utensils and surfaces must be washed and wiped down.
 - Garbage must be taken out to the designated collection point daily, or more often if necessary.
 - Spoiled or abandoned food, dirty dishes and equipment can be removed by the Operator's cleaning staff.
 - Smoking and drinking alcohol are prohibited in the kitchenette.
 - Electrical devices may only be used with dry hands and with due care.
 - After use, all devices must be turned off and unplugged.
 - The use of flammable materials and open flames is strictly prohibited.
 - Any malfunction or abnormality must be reported immediately to the Operator using the posted QR code.

- In the kitchenette, we must respect each other's time and space - we must not occupy the devices and equipment for a long time.
 - Noise (music, loud talking) must be minimized, especially in the evening hours.
- (4) Traffic on the territory of the Dormitory may be driven in accordance with the valid traffic regulations, and parking may be done in the designated parking spaces. Stopping, waiting, or parking in the area marked with the “No Stopping” traffic sign is FORBIDDEN! Stopping or parking in the parade area is strictly prohibited. The Dormitory does not provide security for the parking space and does not assume financial responsibility for any damage to parked vehicles.
- (5) At the area of the Dormitory, bicycles must be kept in their designated spaces. Bicycles found in any other area can be removed by the Operator, disciplinary proceedings can be issued against their owners. The bicycle storage can only be used by residents of the dormitory and the staff.

5. § General community rules

- (1) On the Dormitory grounds, the Students must follow the community rules. The House Rules adjust to the reasonable rhythm of life and to provide undisturbed time for study. During the semester from 23:00 to 07:00, during the exam period all through the day, rest and undisturbed sleep must be provided. Those who violate these rules will undergo disciplinary proceedings (Annex 1).
- (2) There is an elevator in the building, which can be used for the purpose of transporting the maximum number of people and small objects.
- It is forbidden to jump in the elevator, pull the door, or obstruct its operation in any way.
 - It is forbidden to overload the elevator, the permissible load capacity is indicated in the cabin.
 - It is forbidden to smoke, eat or litter in the elevator.
 - If the elevator is operating abnormally (e.g. jerks, does not start, the door does not close), this must be reported immediately to the reception or the QR code error report.
 - If you get stuck in the elevator, press the emergency button, call the receptionist and wait for the maintenance worker or the person on duty to help - it is forbidden to forcefully open the door or get out of it.
 - It is forbidden to use the emergency button unnecessarily.
 - Damaging, intentionally damaging or polluting the elevator equipment will result in disciplinary action and financial liability.
 - The elevator must not be used during cleaning and maintenance periods.
 - The elevator cannot be used in the event of a fire alarm, it will automatically go to the ground floor and stop there.

- In the event of a power outage, the elevator will stop automatically - in this case, you must remain calm, and those inside can use the emergency alarm to call for help.
 - Residents are asked to use the elevator carefully, following safety regulations, and to protect the integrity of the equipment in the interest of the community
- (3) The Operator provides regular bedclothes change:
Tuesday - Thursday 07:00 - 14:00
- (4) It is possible to have coeducated rooms in the Dormitory if the Students request it.
- (5) The residents of the dormitory are obliged to use their own utensils, household utensils (plates, glasses, cutlery, etc.), textiles (clothes, towels, etc.) and keep them clean.
- (6) To reduce the concentration of any pathogens indoors, ventilation must be regular or continuous.

6.§

Work, fire, accident and property protection

- (1) Students receive information on work, fire and accident safety at the beginning of the academic year, and acknowledge this with their signature.
- Every resident in the dormitory is obliged to comply with the fire safety regulations and behave responsibly in order to prevent fires.
 - When the fire alarm sounds, every resident is obliged to immediately stop their activity and begin to leave the building.
 - If someone notices a fire, they are obliged to immediately alert those in their surroundings and notify the reception of building “A”.
 - The building must be left via the designated escape routes; the use of elevators is prohibited.
 - Residents are obliged to leave calmly, helping each other.
 - Doors (especially doors to rooms and corridors) must be closed if it is safe to do so, in order to slow down the spread of fire.
 - After leaving the building, everyone is required to stay at the designated assembly point, leaving it is strictly prohibited.
 - Residents should not return to the building until the fire department or the operator instructs otherwise.
 - In the event of a careless or intentional fire alarm, the person(s) concerned must pay a compensation of 20,000 Ft. to the Operator.
 - The misuse of the intentional alarm is considered a disciplinary offense and may result in further action.
 - Compliance with the fire alarm rules is the joint responsibility of all residents. A quick, disciplined response can save lives.

- (2) The use of open flames in the building is strictly prohibited.
- (3) Corridors as escape routes must be left clear at all times.
- (4) All rooms must be used as intended. It is forbidden to bring furniture from the common areas into the rooms!
- (5) It is the interest and obligation of every Student to immediately report any defects or damage to inventory items in the Dormitory building or its equipment at the reception of the “A” dormitory building or via the defect reporting form:
<https://kollegium.uni-mate.hu/hibabejelento-urlap-krc>
- (6) Students are required to keep the dormitory rooms and associated rooms clean with the cleaning supplies and detergents they provide. They are also obliged to ensure that waste from residential units is taken out to a waste storage facility (container) located outside of the building. If the student does not clean his / her room despite being prompted, the Operator may order forced cleaning which the student must be paying for a fixed fee. In more serious cases, the Operator may initiate disciplinary proceedings against the Student at the University.
- (7) The operation of small household appliances over 200 watts brought into the dormitory is subject to the permission of the Operator. With permission, the device is recorded in the room inventory as “own device”. A compensation fee shall be paid for the operation of the device to the extent and in the manner specified by the Operator. The Operator is not financially liable for movable property marked “own property”.
- (8) Furniture can only be brought into the dormitory if it is approved by the Operator. With permission, the furniture is recorded in the room inventory. The Operator is not financially liable for movable property marked “own property”. If the brought in furniture causes any damage in the Dormitory, the Student who owns the furniture is obliged to compensate. If a room inspection reveals furniture that is not on the inventory, disciplinary action may be taken against the occupants of the room. All furniture must be removed when you move out. Failure to do so may result in disciplinary action or removal at the Student's expense.
- (9) The Student is personally responsible for the objects, tools and equipment received. For the condition of the room, furniture, including doors, windows, walls, equipment, the Student responsible together with their roommates. Additional facilities in the living unit, such as bathroom and toilets, every resident responsible to. It is forbidden to drill, paint, poster or wallpaper the walls of the room! It is prohibited to take furniture out of the rooms or put it on the balcony.
- (10) The Operator, the representative of the University and the Dormitory Committee are entitled to check the condition of the rooms regularly.

- (11) The Operator's representative is entitled to enter the dormitory room in extraordinary situations (such as damage prevention, fire hazard, danger of life or accident or elimination of the fault causing the above, etc.) without the Student's prior notice. The Student must be notified immediately.
- (12) In addition to the above, the Operator is entitled to inspect the proper use of the dormitory room with prior notice to the Student, as well as for maintenance and building supervision reasons (such as heating, inspection, regulation of electrical equipment, repair and maintenance work, insect and pest control, etc.). to enter the dormitory room and carry out the necessary inspections and repairs there. If the Student is not in the room at the time of the activity, the Operator's representative may enter the room only in the presence of a representative of the University. Entry in the absence of the Student must be documented by keeping a visit log. He confirms his presence by the signature of the present representative of the University.
- (13) A Kollégiumokban tilos a dohányzás! Amennyiben a hallgató nem a kijelölt helyen dohányzik és ebből az Kollégiumnak rendkívüli kiadása keletkezik (pl. tűzjelző riasztására a katasztrófavédelem kivonul a helyszínre), a Hallgató köteles megtéríteni azt. Dohányzásra kijelölt hely: Smoking is not allowed in the buildings of the Dormitory! If the student does not smoke in the designated place and this results in an extraordinary expense for the Operator (such as the disaster protection arrives at the scene upon the alarm of the fire alarm), the Student is obliged to compensate. Designated smoking areas:
- 15 meters north of the entrance to building A 'next to the sidewalk,
 - 15 meters south of the entrance to building' B 'next to the sidewalk.
- (14) Do not bring flammable materials, equipment, or perform activities that could cause a fire or explosion (such as cleaning clothing with flammable liquids) in the rooms. It is prohibited to use electric stoves, radiant heaters, immersion heaters, kettles, sandwich ovens, airfryer devices, washing machines, and irons in the rooms. The use of immersion heaters, kettles, sandwich ovens, airfryer devices, and irons is permitted in the kitchen.
- (15) With the exception of a guide and assistance dog, it is forbidden to keep animals in the College!
- (16) The Operator shall not be liable in any way for the valuables and objects brought in and placed by the Students living in the rooms or their guests, especially for jewelry, cash or technical items. The Operator shall not be liable for damages resulting from the disappearance of objects left unattended in the area of the Dormitory (rooms, kitchenettes, shared showers, other places).
- (17) If the Student causes damage to the Student Home due to their guilty behavior, they are obliged to compensate for the cost of the restoration. The offending Student (s) shall be obliged to pay all official fines and additional costs of the Operator incurred by the

violation of the regulations by the Student in accordance with the compensation rules. Refusal to pay the compensation, or if the amount of the damage justifies it, the Operator shall initiate disciplinary and compensation proceedings in accordance with the Student Requirements System.

- (18) If any damage has occurred in the room or inventory items are missing, the Students living in the room are obliged to compensate it according to the fee in to the room inventory.

7.§

Miscellaneous and final rules

- (1) For the duration of a possible renovation of the dormitory, the University / Operator will provide the student with accommodation by designating another dormitory accommodation. If the student does not accept the exchange accommodation designated by the University, they are obliged to take care of their accommodation for the duration of the renovation at their own expense. The additional costs incurred by the Student in this way will not be taken over by the University / Operator. Renewal may not be impeded by the Student by not accepting the exchange placement offered by the University.
- (2) The Contract shall be terminated by extraordinary termination if the Student:
- a) Intentionally or through gross negligence violates the House Rules, or otherwise engages in conduct that makes it impossible to maintain the right to use the space.
 - b) Causes intentional or negligent damage to the University or the Operator and refuses to reimburse it, or fails to reimburse it without good reason after acknowledging the obligation to pay compensation.
 - c) Carries out alterations to the dormitory building or equipment without the permission of the Operator and does not restore the original condition upon request at its own expense.
 - d) Violates dormitory and official public health (especially smoking), fire, work and accident protection regulations, as well as the rules of use of the Internet network.
 - e) Places a person, who is not a resident of the dormitory illegally in their room.
 - f) Becomes unfit for community dwelling due to his or her state of health.
 - g) Violates the rules on guests set forth in the House Rules.
 - h) The obligation to pay the reimbursement fee is not fulfilled in spite of the summons, nor by the deadline specified in the summons.

- i) Behaves in a manner that is incompatible with the norms of community coexistence or with which the peace of mind of the residents of the dormitory is significantly disturbed.
- j) In case of proven drug consumption, possession or distribution.
- k) In case he gets 200 or more points of the misdemeanors stated in the House Rules' annex.

In case of immediate termination, the Student must move out and take his belongings in 8 days. Also obliged to pay his debts for the duration of the contract. In case the Student doesn't pay their debts during moving out, they must sign a debt acknowledgment statement, in which he also specifies the payment date he considers possible. If payment does not happen during the specified deadline, the College will turn to the court to enforce its will.

- (3) Mail and postal parcel notifications received by resident Students during the academic period can be collected at the reception desk of Dormitory "A". Postal and other items from non-resident Students or Students who have moved out will be rejected by the Dormitory. The reception is not available for the transmission of messages, the delivery of non-postal parcels, items and other tasks do not belong to it's job.
- (4) No commercial, business or other licensed activities (eg gambling) may be carried out in the Dormitory without a permit.
- (5) There is no medical or health care in the Dormitory. The first aid box for first aid is located at the reception of building "A".
